

# INCLUSION MARKETPLACE

## OVERVIEW FOR SUPPLIERS

The Inclusion Marketplace facilitates connections between buyers and suppliers. Minority and women-owned suppliers will have the opportunity to view projects, events and contracts posted by buyers in the region and bid on those that align with the services and products they offer.

### 01

#### **Register your organization in the Inclusion Marketplace as a supplier.**

As you register, make sure your profile includes the most relevant and up to date information on your business. Also, fill out all essential information in your profile and be as descriptive as possible about the products or services you provide. This will increase your chances of securing opportunities from buyers.

### 02

#### **Look for opportunities and events regularly.**

New opportunities will be posted daily. Visit the Inclusion Marketplace regularly to ensure you are up to date with those that apply to your business.

### 03

#### **Share your feedback with us.**

Periodically you will receive a brief survey from us inquiring about your experience utilizing this procurement tool. We encourage you to participate in these surveys as your feedback will allow us to continue to improve.
